## Text Me O Romeo!

### Re-Writing Romeo and Juliet

Your task is to rewrite the balcony scene of Romeo and Juliet (Line 50 - Line 157) as if they were said over text messages. You are to write this out in Google docs and you will write it in the same format of the play. This will be:

**Romeo:**

Text

**Juliet:**

Text

Translate each paragraph spoken between the two star-crossed lovers throughout this scene (Line 50 - Line 157). You may choose to cut some pieces or add lines in between to even out your piece. Make this make more sense through adding in "Gen Z" terminology. If you are ever stuck throughout this activity, use the already translated version of the play to aid you.
